## Introduction

Welcome to your astrology compatibility report.

This report is based on the astrology technique of Synastry, which compares the horoscopes of two people and interprets the correlations between them.

The first part of the report analyses the mix of Qualities and Elements between you to give a general indication of your modes of behaviour.

The second part looks at the placements of each other's planets in one another's natal houses. This indicates how you influence each other in the areas of life represented by the houses occupied by one another's planets.

The third part interprets the inter-aspects between your two charts. This shows how you relate to each other. Some of these interpretations are positive and easy and others are challenging.

Your Synastry report reveals your areas of harmony and compatibility as well as your areas of tension and conflict. Hold in mind that human relationships are complex and contradictions can occur in the interpretation.

We trust you will find the report insightful and helpful.

# Qualities and Elements

## **Barack's strongest Quality is Fixed and Michelle's strongest Quality is Cardinal**

Relationships between Cardinal and Fixed personalities can be challenging. Michelle likes change and is good at getting new things off the ground; whereas Barack tends to hold onto the known and familiar. Problems can arise between you if Michelle's initiatives are opposed by Barack because of stubbornness or a resistance to change. Positively, Michelle stimulates and stirs Barack into action and Barack, in turn, has a stabilising influence on Michelle.

## **Barack's strongest Element is Fire and Michelle's strongest Element is Earth**

Relationships between Fire and Earth personalities can be mutually advantageous. Barack is enterprising and outgoing, whereas Michelle is security conscious and cautious. Michelle benefits from the opportunities that Barack creates and Barack, in turn, benefits from Michelle's common sense and ability to provide material protection. Problems can arise between you, however, if Barack becomes frustrated with Michelle's conservatism, or if Michelle can't cope with Barack's constant need for change and excitement.

## **Aspects**

### **Barack's ☉ is △ Michelle's ♃ 0°04' A**

This is an essentially positive planetary pairing for two people to have between them. As a couple - or even as business partners - this aspect encourages individual and combined growth. Together, you are motivated by a strong urge to expand in life and to broaden your horizons. By applying yourselves, you have the ability to successfully advance your material, social or spiritual aspirations.

### **Barack's ☉ is □ Michelle's ♃ 5°00' A**

The main concern of this aspect, from a relationship perspective, is do you trust one another and are you honest with each other? There can be a tendency to evade important issues within your relationship or to

do things behind each other's backs. There can also be problems with intoxicants and difficulties caused by deception or unreliability. Positively, there is a strong inner connection between you and you are able to pick up one on another intuitively.

### **Barack's ☉ is ☐ Michelle's A<sup>s</sup> 4° 12' S**

A dynamic aspect between the Sun and the Ascendant is significant. It indicates that you are drawn to each other and feel energised and enterprising when together. It is possible that you felt a 'connection' right from the first time you laid eyes on each other. Tensions can arise through battles of will and of ego.

### **Barack's ☽ is ☐ Michelle's ☽ 2° 51' A**

You have quite different emotional needs to each other. Sometimes you are right on the money when it comes to gauging one another's feelings and other times you are way off beam. When the latter occurs you feel that you don't really know one another and that you don't have anything in common. You can become irritable with each other and moody if your inner needs are not being met. Meeting each other half-way can help to ease any tension or feelings of dissatisfaction.

### **Barack's ☽ is ☐ Michelle's ♀ 2° 35' S**

Even challenging aspects involving the Moon and Venus work well in a relationship. They intensify your attraction for each other and deepen your desire for unity. You have strong feelings of love for one another and a readiness for commitment. About the only thing you need to be careful of is a tendency to smother one another or to come across as needy and emotionally dependent.

### **Barack's ☽ is △ Michelle's ♂ 0° 10' A**

Your feelings and actions are in sync with each other; how you both feel about a situation determines the way you respond to it. You are honest about your feelings for one another and have little trouble expressing them. You enjoy keeping busy and initiating new projects and enterprises together. Other people know where they stand with you as a couple, as you're always direct and forthright.

### **Michelle's ☉ is ♂ Barack's ☿ 5° 40' S**

This is a testing combination within a relationship. A challenging aspect between the Sun and Mercury makes for tense communications and misunderstandings. You tend to agree on some things and strongly disagree on others. As a team, you come across as two people who have quite different outlooks and opinions about things. One of you may tend to dominate the thinking of the other or take the lead in discussions and decision-making.

### **Barack's ☿ is ♂ Michelle's ♂ 1° 11' A**

You have a particularly fiery dynamic between you. Heated arguments and quarrels are commonplace. You tend to get impatient with one another and can be quite cutting in your remarks. Also, you can both be inclined to sarcasm and colourful language. You are generally direct in your communications to each other but there can be a danger of dishonesty and lying.

### **Barack's ♃ is ♂ Michelle's M<sup>c</sup> 5° 48' A**

Family and domestic matters are often the topic of conversation between you and you like spending time together at home. People enjoy your company socially and you find it easy to make friends together.

### **Michelle's ♃ is ♂ Barack's ♀ 3° 03' A**

Communication between you is generally friendly and cordial, however, you can hold quite opposing views on issues concerning your relationship. Providing you are both prepared to sit down together and iron out any points of contention, you will manage to get along well. Try not to be flippant or off-hand with one another, as this could create minor misunderstandings and feelings of irritation.

### **Barack's ♀ is △ Michelle's ♀ 1° 01' A**

In a personal relationship, you are positive and generous towards each other and you support each other's goals and aspirations. This can be a good aspect for people in business together; you are both keen to see the business grow and succeed. You may enjoy travelling together as well. There may be some problems

with wastefulness and extravagance on the part of one of you.

### **Michelle's ♂ is ♂ Barack's ♃ 2°40' S**

You are a productive, resourceful and energetic couple. You stimulate and encourage each other. As a team, you can achieve a great deal together in your personal and professional lives. ### **Michelle's ☉ is ♂ Barack's ♃ 1°20' S**

This can be a testing combination for any relationship to endure. There may be the tendency for one of you to dominate or try to suppress the will of the other. For this union to work it may be necessary to address issues of control and domination. It is important to consider each other's needs and to avoid criticising or putting one another down. There can be benefits from having occasional breaks from one another.

### **Barack's ♃ is ♂ Michelle's ♁ 1°12' S**

As a couple, you can rise to important positions in life through hard work and self-discipline. Advancement is slow but sure; however, with sacrifices and a focus on the desired outcome, success is achievable. There may be difficulties between you if one partner tries to control the individual objectives of the other.

### **Michelle's ♃ is ♂ Barack's ♃ 5°14' S**

One - or both - of you knew from your first contact that something would develop between you. Intuition plays a strong part in your relationship. You hold a fascination for one another and delight in being unpredictable with each other. Your living arrangements are likely to be unconventional and you enjoy keeping others guessing about the nature of your relationship. Both of you value personal freedom and you know when to give each other time out or breathing space.

### **Michelle's ♃ is ♂ Barack's ♃ 3°03' A**

The main challenge in this combination may be the effects of controlling influences within or outside of your relationship. This, understandably, can cause frustrations and lead to difficulties between you.

**Michelle's ♃ is □ Barack's A<sup>s</sup> 0°30' S**

There is a great deal of feeling between you - which can sometimes be overwhelming. You need to be aware of each other's moods so that you don't accidentally hurt one another's feelings.
