## **Introduction**

Welcome to your astrology compatibility report.

This report is based on the astrology technique of Synastry, which compares the horoscopes of two people and interprets the correlations between them.

The first part of the report analyses the mix of Qualities and Elements between you to give a general indication of your modes of behaviour.

The second part looks at the placements of each other's planets in one another's natal houses. This indicates how you influence each other in the areas of life represented by the houses occupied by one another's planets.

The third part interprets the inter-aspects between your two charts. This shows how you relate to each other. Some of these interpretations are positive and easy and others are challenging.

Your Synastry report reveals your areas of harmony and compatibility as well as your areas of tension and conflict. Hold in mind that human relationships are complex and contradictions can occur in the interpretation.

## Qualities and Elements

### **Priscilla's strongest Quality is Cardinal and Elvis's strongest Quality is Cardinal**

Relationships between Cardinal personalities are dynamic and action orientated. Both of you have your own ideas about what can and needs to be done. As a pair you can achieve a lot together; however there will be struggles for dominance in the relationship. In this pairing we have the modern day 'power couple'.

### **Priscilla's strongest Element is Water and Elvis's strongest Element is Earth**

Relationships between Earth and Water can be long-lasting and mutually satisfying. Elvis appreciates Priscilla's imagination and is fascinated by her depth of feeling. Similarly, Priscilla acknowledges the security that he can provide. Problems can arise if Priscilla despairs of Elvis's apparent lack of spiritual awareness and Elvis tires of her lack of practicality.

## Priscilla's Houses

### Elvis's Planets in your Houses

#### **His Sun is in your 1st House**

Elvis is a powerful and vital force in your life. He encourages you to be your own person and to develop your fullest potential. He recognises the promise you have within you and wants nothing more than to see and help you reach it. He may, at times, come across as insistent or over-bearing, but his intentions are generally well-meant and heartfelt.

### **His Moon is in your 2nd House**

As you will find out Elvis has a flexible attitude towards money; some days it's important to him, other days it's not. Get used to the idea of changeable financial circumstances when you are around him; it's part of the deal between you. Ultimately, you learn a great deal about material matters and possessions through him.

### **His Mercury is in your 1st House**

You can't help being drawn to Elvis's intelligence and influenced by his ideas and words. This can be a good or bad thing, depending on the effect they have on you. There is a lot of mental stimulation and badinage between you.

### **His Venus is in your 1st House**

He has a harmonious influence upon you. He makes you feel happy and content in his presence. You love being with one another and also enjoy socialising together. He is affectionate and demonstrative and is likely to shower you with gifts or pamper you.

### **His Mars is in your 10th House**

He is very status conscious and ambitious for you to make your way in the world. He will do whatever it takes to help you achieve your aims and aspirations. He also knows that when you succeed he succeeds too; some degree of self-interest is at work here.

### **His Jupiter is in your 11th House**

You might not find a better friend in life than you have in Elvis. He is loyal, trustworthy and generous. You literally feel yourself light up inside when he calls or walks into the room. He encourages you to pursue your dreams and is supportive in many ways, even financially if need be.

### **His Saturn is in your 2nd House**

Money can be a problem in your relationship with Elvis. He may want to control your spending or conversely cause you financial difficulties through bad decisions or advice. Even though he may have your best interests at heart, he is not the first person you should choose to manage your finances.

### **His Uranus is in your 4th House**

Your family doesn't quite know what to make of Elvis, but you don't mind. You're quite fascinated by him and interested to see where you end up together. His

attitudes towards domestic and family arrangements tend to be unconventional and living with him may be somewhat perilous to your sense of domestic bliss.

### **His Neptune is in your 9th House**

Elvis may appear to be a wonderful spiritual being to you. He may seem wise and learned with profound philosophical or academic knowledge. He may be these things to a degree; however be honest with yourself and him - there are enough 'false prophets' around to fill a cookie jar without adding another one to the mix. Take care not to be seduced; apply some reason and heed your gut instincts when considering the validity of his ideas.

### **His Pluto is in your 7th House**

Be very sure that you want this relationship with Elvis. There are issues of power and control between you, with him being the partner that wants to do all the controlling. You may be drawn to him through some kind of hidden force that you may find hard to break away from.

### **His Moon's North Node is in your 1st House**

Through his ideas and actions he teaches you how to be yourself and to recognise what's important in life.

### **His Ascendant is in your 12th House**

If there is anyone who can get you to front up to your innermost fears and inhibitions it is Elvis. He has a gift for asking you the right questions and offering solutions to your concerns. He is a good listener.

### **His Midheaven is in your 9th House**

Elvis's spiritual or educational aspirations receive a boost through having you in his life. You have much to teach one another.

## **Elvis's Houses**

## **Priscilla's Planets in your Houses**

### **Her Sun is in your 6th House**

Priscilla encourages you to develop those special skills you probably didn't even know you had. She can also make you aware of your general health and vitality;

perhaps leading you towards a better lifestyle and body awareness. You may do important work together and gain some form of acknowledgement.

### **Her Moon is in your 11th House**

Here is someone who you can get close to and call a friend. She instinctively tunes into your needs and enjoys spending time with you. Quite possibly, you met each other in a social setting or through a mutual friend. She readily supports your ambitions and goals in life.

### **Her Mercury is in your 5th House**

Every day with Priscilla is play day. She knows how to inject some fun into your life and is constantly coming up with suggestions of things to do. If you have any creative or artistic leanings she may give you ideas or offer constructive criticism. You may have an interest in the same hobbies.

### **Her Venus is in your 5th House**

This combination produces a strong attraction between you both, emotionally and sexually. You love being with one another and know how to have fun and pleasure as a couple. Your social life will be full and busy - and that's the way you like it. Children and parenting are also important to you.

### **Her Mars is in your 5th House**

Here is someone who you can be adventurous with in love. She knows how to push your romantic buttons - and let's be honest - turn you on. You feel alive when you are together. Often, all you want to do is have fun and play. This is one love affair that will make an impact on you. However, be warned, there is the potential for being scarred if things go wrong - and they can.

### **Her Jupiter is in your 10th House**

She might not be aware of it but she can have a good influence on the direction your life takes. A word or deed of hers may inspire you to take a particular path in life that leads to personal or professional benefits. Equally, she may consciously help you professionally by putting you in touch with the right people or offering her services in any number of ways.

### **Her Saturn is in your 7th House**

You have to ask yourself: "Is this the person I can see myself spending the rest of my life with?" Answer this question honestly, because if you have any doubt it's not without good reason. She certainly has the potential for being around for the long haul; however once she has settled in she can't help but take control of

the relationship and you with it.

### **Her Uranus is in your 7th House**

Don't expect a conventional relationship with Priscilla because it just 'ain't gonna happen'. She is looking for someone to have different and stimulating experiences with and this is one of the reasons you are attracted to each other. Life with her is exciting and never ever boring.

### **Her Neptune is in your 10th House**

Priscilla has the ability to make you question your path in life and wonder just how real or meaningful it actually is. She can open you up to other realities and encourage you to imagine endless possibilities. This can be a good thing; however if you are the sort of person that requires certainties and professional security you might find life with her confusing and chaotic.

### **Her Pluto is in your 8th House**

She can kindle an interest in you for the occult and esoteric mysteries. She may get you thinking about subjects that investigate the questions of life, such as reincarnation and life after death. On a more mundane level, you probably should avoid entering into business or financial arrangements together because there is a danger of creative accounting practices by one or both of you.

### **Her Moon's North Node is in your 7th House**

Through her ideas and actions she teaches you the significance of personal relationships and partnerships.

### **Her Ascendant is in your 1st House**

You understand each other very well. She knows where you are coming from because she has similar personality traits and motivations as you. In some ways, it's like looking in the mirror.

### **Her Midheaven is in your 11th House**

You feel a personal connection to Priscilla. She is someone you call your friend. With your influence, your friends may help her to realise or achieve her personal or professional aspirations.

## **Aspects**

**Priscilla's Sun is Square Elvis's Moon 1°30' A**

With this combination there is a sincere desire for harmony between you; however this is often difficult to realize. You often feel discontented and tense together. At times, your individual activities outside of the relationship, such as work or personal ambitions, can override your emotional needs and create feelings of neglect and dissatisfaction.

**Priscilla's Sun is Trine Elvis's Venus 4°09' A**

You are attracted to one another, physically and emotionally. There is a mutual appreciation and enjoyment of the finer things in life. You have similar artistic and aesthetic tastes. You look good together as a couple. Others like your style and enjoy your company. Your warmth and affection for each other is endearing to other people.

**Priscilla's Sun is Trine Elvis's Moon's North Node 2°23' S**

This astrological pairing indicates that your relationship is very significant to both of you. Your union seems to have been pre-destined. As a couple you may know important and influential people.

**Elvis's Sun is Sextile Priscilla's Moon 5°37' A**

This is a very desirable relationship combination. A harmonious synastry aspect between the Sun and the Moon makes for an ease of interaction and good mental and emotional understanding. There is unity and a strong feeling of attraction and harmony.

**Priscilla's Moon is Sextile Elvis's Neptune 2°50' A**

Your relationship is based on a deep feeling of trust and compassion for one another and towards others in general. You are receptive to each other's needs and devoted to one another. Spiritual matters interest you both a great deal. Intuition plays a large part in your personal dynamic and psychic occurrences are common between you.

**Elvis's Sun is Trine Priscilla's Mercury 5°27' A**

This is a positive combination within a relationship. A harmonious aspect between one partner's Sun and the other's Mercury makes for an ease of communication and good mental understanding. You tend to think alike and have similar objectives. You share an interest in learning and enjoy being involved in mentally stimulating projects. As a team, you come across as a dynamic duo that can impress others with your wit and verbal skills. You both enjoy talking with people and expressing your opinions.

**Priscilla's Mercury is Trine Elvis's Neptune 2°40' A**

You are receptive to each other's ideas and outlooks on life. Spiritual matters interest you both and you may study metaphysical subjects together. You are able to tune into each other's thought patterns. An undeniable intuitive and telepathic understanding exists between you.

**Elvis's Sun is Square Priscilla's Venus 5°34' A**

This can be a challenging relationship dynamic. You are physically attracted to one another; however this may be where the connection between you begins and ends. It is probable that you like what you see in each other, but relationships based on external appearances alone don't tend to last long. In order to allow any contact between you to grow beyond the physical you need to find each other's inner beauty.

**Elvis's Mercury is Square Priscilla's Venus 0°29' A**

Communication between you is generally friendly and cordial; however you can hold quite opposing views on issues concerning your relationship. Providing you are both prepared to sit down together and iron out any points of contention, you will manage to get along well. Try not to be flippant or off-hand with one another, as this could create minor misunderstandings and feelings of irritation.

**Priscilla's Venus is Sextile Elvis's Saturn 2°57' A**

Stability and reliability in love are important to you both. You are practical and realistic about relationships and tend to be restrained in your display of affection. Your relationship can be durable but it may not be emotionally satisfying.

**Priscilla's Venus is Conjunct Elvis's Uranus 4°42' A**

Irrespective of how much you like or love one another, you will not allow your individual freedoms to be compromised. You are attracted to one another and fascinated by each other's personalities; however the attraction tends to be short-lived, unless you can manage to keep one another stimulated. The last thing you want from each other is a conventional and routine relationship. You are looking for fun and adventure from each other.

**Priscilla's Venus is Square Elvis's Pluto 2°20' A**

The attraction between you is intense and close to being obsessive. You are fascinated with one another and may even feel that you have a pre-destined connection. You are together because you both desire a deep and fulfilling relationship. However, hidden within the depths of this union is the potential for emotional and sexual manipulation, jealousy and even cruelty. Heed your instincts and enter at your own risk.

**Elvis's Sun is Square Priscilla's Mars 0°15' S**

This is a potent planetary combination in any relationship, be it a personal or professional one. Together, you come across as two people who are constantly competing with each other; or jointly against others in the environment. Your personal dynamic with each other is often stressed and tense, with frequent arguments and ego clashes. Individually, you tend to challenge everything the other one wants to do. There is the need to curb your tempers and aggressive attitudes. There may also be issues of control and dominance.

**Elvis's Mercury is Square Priscilla's Mars 5°19' S**

You have a particularly fiery dynamic between you. Heated arguments and quarrels are commonplace. You tend to get impatient with one another and can be quite cutting in your remarks. Also, you can both be inclined to sarcasm and colourful language. You are generally direct in your communications to each other, but there can be a danger of dishonesty and lying.

**Priscilla's Mars is Trine Elvis's Ascendant 4°37' A**

You work well together and share similar goals and ambitions. You are able to think and act as one; to present a unified front. You are eager to do things together and for one another.

**Elvis's Sun is Trine Priscilla's Jupiter 0°27' A**

This is an essentially positive planetary pairing for two people to have between them. As a couple - or even as business partners - this aspect encourages individual and combined growth. Together, you are motivated by a strong urge to expand in life and to broaden your horizons. **Elvis's Mercury is Trine Priscilla's Jupiter 4°37' S**

There is an ease of communication between you. Honesty and frankness are important to you both. You are interested in one another's ideas and tolerant of each other's and other people's beliefs and attitudes.

**Priscilla's Jupiter is Sextile Elvis's Jupiter 0°23' S**

You are good friends and feel comfortable in each other's company. You have similar outlooks on life and understand each other well. You support one another's ideas and viewpoints, and rarely disagree about things.

**Priscilla's Jupiter is Conjunct Elvis's Neptune 3°14' S**

You are both interested in religious and philosophical subjects. You share similar spiritual beliefs and recognise how important they are in your relationship. You may worship the same things. On a more mundane level, you may share an enthusiasm for gambling and risk-taking; however it is impossible to tell if your speculations will succeed or fail - so you need to take care, especially if you cannot afford to lose.

**Priscilla's Jupiter is Square Elvis's Ascendant 5°19' A**

In general, you get along well with each other and tolerate one another's personal beliefs, even if you don't wholeheartedly agree with them. You are both motivated by the desire to improve your standing in the world and increase your financial power. There may be some difficulties between you caused by extravagance and squandering on the part of one or both of you.

**Elvis's Mars is Square Priscilla's Saturn 3°47' S**

The difficulties in this planetary combination are not to be taken lightly. You both need to be very certain that you have the individual strength to contend with the inherent challenges of this relationship. One of you tends to dampen the desires and restrict the movement of the other. Over time, this causes resentment and suppressed anger between you. There is a danger of violence or physical injury.

**Priscilla's Saturn is Sextile Elvis's Neptune 5°24' A**

This aspect can be an asset in a relationship; in that it enables you both to keep things in perspective. You follow your dreams, yet don't get carried away with them; you know what is realistically possible.

**Elvis's Mars is Trine Priscilla's Uranus 0°12' S**

You encourage one another to be adventurous and to try new things in life. You both need your freedom and willingly give each other the space to do your own thing from time to time.

**Priscilla's Uranus is Square Elvis's Neptune 1°49' A**

You are spiritually and psychically attuned to each other and understand one another in a unique and special way.

**Priscilla's Uranus is Opposition Elvis's Ascendant 0°16' A**

One thing is for certain: your relationship is one of a kind. You are drawn to each other because you recognise that you will have many different and interesting experiences together. It is unlikely that you'll stay in one place for a long time, because you need to keep moving and discovering. Expect the unexpected and

enjoy the ride.

**Elvis's Venus is Trine Priscilla's Neptune 4°24' A**

You make fine music together and you both feel that you have found true romance together - and you have up to a point. Just don't put too many expectations on each other and keep it real, otherwise one or both of you could end up feeling a bit disillusioned. At the end of the day though, your love and devotion to each other win through.

**Priscilla's Neptune is Trine Elvis's Moon's North Node 2°38' A**

You are spiritually and psychically connected to one another. The feelings between you are deep and you are able to sense each other's moods and emotions. You share an interest in the creative arts and music.

**Elvis's Mars is Sextile Priscilla's Pluto 4°40' S**

When you put your hearts into it you can achieve a great deal together. You can motivate each other to get things done, even if it requires long hours of work or extra efforts.

**Priscilla's Pluto is Trine Elvis's Ascendant 4°12' S**

You channel tremendous amounts of energy into whatever you do together and have the ability to empower and transform one another. Other people are attracted to your combined magnetism; you have the ability to influence others with gentle but firm persuasion.

**Elvis's Mars is Square Priscilla's Moon's North Node 3°12' S**

You have a strong desire to cooperate with each other. However, for this to succeed you need to discourage competition between you or any inclinations one partner may have to try and dominate the other. Otherwise it defeats the purpose of teamwork.

**Elvis's Neptune is Sextile Priscilla's Moon's North Node 4°50' S**

You are spiritually and psychically connected to one another. The feelings between you are deep and you are able to sense each other's moods and emotions. You share an interest in the creative arts and music.

**Elvis's Moon is Sextile Priscilla's Ascendant 4°07' S**
